BILL/ AUTHOR	SUBJECT	POSITION	DESCRIPTION	STATUS
<a href="#"><u>AB 72</u></a> <i>(Bonta D)</i>	Health care coverage: out-of-network coverage.	<b>SUPPORT</b>	CAHU supports AB 72, bi-partisan consumer protection legislation that statutorily bars insured policyholders from being balanced billed by out-of-network providers when the consumer sought treatment at an in-network facility. AB 72 also sets out a reasonable dispute resolution process and reimbursement policy for out-of-network service providers.	<b>PASSED LEGISLATURE</b>  <b>To ENROLLMENT 8/31/2016</b>
<a href="#"><u>AB 533</u></a> <i>(Bonta D)</i>  <i>(Replaced by <a href="#"><u>AB 72</u></a> <i>(Bonta )</i>)</i>	Health care coverage: out-of-network coverage.	<b>SUPPORT</b>	AB 533 seeks to protect consumers from unexpected medical bills if they are treated by an out-of-network provider at an in-network facility. CAHU SUPPORTS AB 533; while it still needs a fair resolution regarding adequate provider payments, the bill does include a consumer protection provision to statutorily bar any balance billing of the consumer by the out of network provider.	<b>ASSEMBLY Floor</b>  <b>FAILED END OF SESSION DEADLINE 8/31/2016</b>  <b>DEAD</b>
<a href="#"><u>AB 1823</u></a> <i>(Bonilla D)</i>	California Cancer Clinical Trials Program.	<b>SUPPORT</b>	CAHU SUPPORTS AB 1823, as amended June 23, 2016, that establishes the privately funded California Cancer Clinical Trials Program overseen by the University of California. This program will enable cancer patients to find and participate in cancer clinical trials more easily than occurs today.	<b>PASSED LEGISLATURE</b>  <b>To ENROLLMENT 8/29/2016</b>
<a href="#"><u>AB 1839</u></a> <i>(Patterson R)</i>	California Health Benefit Exchange: enrollment options.	<b>SUPPORT</b>	CAHU SUPPORTS AB 1839 as it provides more options to individuals when choosing the health plan for their family. Permits a family to more easily opt out of the Medi-Cal program. The bill also saves consumer dollars, by keeping a standard "family out of pocket maximum" of only 2 per family, instead of potentially 3 or 4.	<b>ASSEMBLY Health</b>  <b>FAILED PASSAGE 4/5/2016 DEAD</b>

BILL/ AUTHOR	SUBJECT	POSITION	DESCRIPTION	STATUS
<a href="#"><u>AB 1890</u></a> <i>(Dodd D)</i>	Discrimination: Equal pay: state contracting.	<b>OPPOSE</b>	CAHU OPPOSES AB 1890 that mandates an onerous new report that state contractors must submit on the makeup of their workforce.	<b>PASSED LEGISLATURE</b>  <b>To ENROLLMENT 8/25/2016</b>
<a href="#"><u>AB 1899</u></a> <i>(Calderon D)</i>	Insurance: production agents: license examinations.	<b>SUPPORT</b>	CAHU SUPPORTS AB 1899, as amended, that permits license exams to also be given in Spanish. <a href="#"><u>AB 2209</u></a> <i>(Bonilla D)</i>	Health care coverage: clinical care pathways.	<b>OPPOSE</b>	CAHU OPPOSES AB 2209 (Bonilla) because the bill places unnecessary hurdles for plans and insurers to overcome when they seek to use patient based clinical care pathways.	<b>HELD in ASSEMBLY Appropriations 5/27/2016 DEAD</b>
<a href="#"><u>AB 2366</u></a> <i>(Dababneh D)</i>	Long-term Care Insurance	<b>SUPPORT</b>	CAHU SUPPORTS AB 2366 that exempts insurers that offer a policy which combines both life and long- term care coverages from the requirement to offer the new benefits or benefit eligibility criteria to their existing long-term care insurance (LTCI) policy. The current law on offer requirement hinders the ability of companies to make new products available for consumers, made compliance very difficult on new hybrid products, and proved to be extremely confusing or misleading to existing policyholders.	<b>PASSED LEGISLATURE</b>  <b>To ENROLLMENT 8/30/2016</b>
<a href="#"><u>AB 2400</u></a> <i>(Nazarian D)</i>	Prescription drug coverage: prior authorization and external review.	<b>OPPOSE</b>	CAHU OPPOSES AB 2400 that shortens health plan and insurer internal grievance resolution timelines for prescription drug issues to force timely decisions that are always desirable. CAHU believes consumer/patients deserve to get the right decision, rather than the speediest decision that may have far reaching or even deadly consequences for them.	<b>HELD in ASSEMBLY Appropriations 5/27/2016 DEAD</b>
