

ANNUAL REPORT 2016

The California Association of Health Underwriters respectfully presents its many accomplishments of 2016.

COMMUNICATIONS

CAHU's website continues to function as a cornerstone of member resources and information.

Electronic communications focused on informing members about CAHU activities:

- o Forum - News
- o Legislation & Public Affairs
- o Professional Development
- o Membership
- o Public Service
- o Board of Directors

GOVERNMENT AFFAIRS

CAHU remains firmly and aggressively committed to protecting the role of agents and brokers in the health insurance marketplace. The California Health Benefit Exchange Board (HBEX) frequently seeks out CAHU for important input to guide them in making their decisions on how the Exchange will function in all respects

PUBLIC AFFAIRS

CAHU continues to promote the value of health insurance agents to the media, legislators and health insurance regulators (California Health Insurance Exchange Board, California Department of Insurance, etc.).

MEMBERSHIP

Membership growth was strong during the year.

PROFESSIONAL DEVELOPMENT

There are more than 100 active CAHU Professional Development courses being provided through the California Department of Insurance. The majority of these courses are offered at monthly membership meetings and events conducted by CAHU's local chapters throughout the state. The CAHU web site offers an online database of all its courses and approved speakers.

The information included in this report is general in nature. For more specifics on CAHU's many programs and services, please contact 800/322-5934 or info@cahu.org.
