Capitol Summit

LIVE Breakout Room

We will be having ONE 30 min networking break each day where our attendees will be able to choose to join a breakout room **based on the title of the room.**

This is where you can get creative!

Once a participant/s are in your Zoom room you are able to “engage” them as you please. Ideally you can engage conversation with everyone that has joined your room. The more interesting you make your room the longer someone will want to hang out. You can play games, give prizes, etc.
