Summary: Current law requires individuals under 19 years of age enrolled in restricted-scope Medi-Cal at the time the Director of Health Care Services makes a determination that systems have been programmed for implementation of these provisions, be enrolled in the full scope of Medi-Cal benefits, if otherwise eligible, pursuant to an eligibility and enrollment plan, as specified. Current law makes the effective date of enrollment for those individuals the same day that systems are operational to begin processing new applications pursuant to the director's determination. This bill would extend eligibility for full-scope Medi-Cal benefits to individuals 65 years of age or older, if otherwise eligible for those benefits, but for their immigration status, subject to an appropriation.

SB 1121 vastly expands the scope of who can sue companies and non-profits for data breaches. Even more troubling, this bill would impose a minimum of \$200 and a maximum of \$1000 in statutory damages per consumer breach.
