

## California Agents and Health Insurance Professionals Golden Gate

### 2023 Partnership Package

---

The Annual Partnership campaign for the California Agents and Health Insurance Professionals Golden Gate Chapter (CAHIP - Golden Gate) is underway for 2023. Our partnership packages provide the opportunity to sponsor events on an annual basis by selecting a pre-packaged level of sponsorship. Our annual campaign has been a tremendous success and we **THANK YOU** for your participation.

Your support is vital to our organization. The money we raise through our partnerships helps our members continue to champion the causes that are important to all of us doing business in the health insurance marketplace in the State of California.

We have offered similar packages in previous years and decided to continue with these packages again this year. We aim to provide great value in your partnering with us.

We are replacing our Annual Sales Symposium this year with a shorter CE Social Event in the spring of 2023 which we hope will lead to greater turnout. Please consider a Platinum or Gold level sponsorship. These sponsorship opportunities provide ongoing visibility and marketing opportunities throughout the year as well as great exposure at all of our monthly professional development and networking event.

We offer a'la carte sponsorship opportunities for the CE Social Event and monthly member lunch & learns, whether virtually attended or in-person.

Thank you in advance for your continued support of CAHIP - Golden Gate. A member of our Board will follow-up with you in the next couple of weeks to discuss partnership opportunities. If you have any questions, or need additional information, please do not hesitate to contact one of us.

Sincerely,

*Janet Powellson*

President, CAHIP – Golden Gate
