

COMPANY PROFILE

We are deeply rooted in the robust Puget Sound community and marketplace.

Our current focus is build-to-suits, data centers and short-term financing in the vibrant Pacific Northwest. For more than 60 years, the Benaroya name has been synonymous with integrity, excellence, and value.

Our Difference

LEADERSHIP

Under the leadership of Larry Benaroya, our privately held company employs 35 professionals with expertise in all aspects of commercial real estate, dedicated to maintaining the highest standards of integrity and professionalism.

EXPERTISE

With more than 60 years of multi-faceted development experience, we consistently produce outstanding results for our clients.

FINANCIAL STRENGTH

The Benaroya Company has developed an extensive portfolio of diverse properties and since its founding has delivered exceptional value to our tenants, build-to-suit clients, and borrowers.

Flexibility, Speed & Certainty

Accommodating our clients' changing needs is one of our core strengths. Because we are a privately held company, our decisions are not driven by Wall Street or shareholder expectations. We have the strengths to perform like a larger organization with the nimbleness and responsiveness of a small company.

Advantages of Working with The Benaroya Company

Choosing to work with The Benaroya Company means doing business with seasoned professionals who are committed to building and maintaining a strong relationship with you. Our core assets – our solutions-driven approach, expertise, operational flexibility, speed, reliability, and financial strength – all contribute to mutually successful engagement with our clients and vendors.
