

FRAMELESS

SHOWER PRODUCTS

PIVOT HINGE.

Our new frameless shower pivot hinges are stylish, durable and designed to last.

Morse Industries shower hinges are made of solid brass with all moving parts (pins and springs) in stainless steel.

C50-0018BLY
Beveled Edge
Top / Bottom Mount

A removable protective insert covers the interior rounded ("mouse ear") portion of the hinge. This helps keep the glass from slipping off the hinge and protects it from metal contact, extending the life of the the hinge and the glass.
